CLASS SONG

Tune: "The Twelfth of Never"

Do you remember days gone by,
Can you recall?
The memories of our last four years,
The fun and all?

We look back now with fond adieu
As we prepare to leave
We'll journey on a new road
Our lives have well been weaved.

Memories of our high school days
Of our prom, class rings, games and all our plays.

We leave our Alma Mater.

We now say good-bye

To our teachers and the friends at dear Bridgeport High.

Farewell Classmates of '58 — Remember with hearts and minds.

That we'll be friends forever and that's a long — long — time.

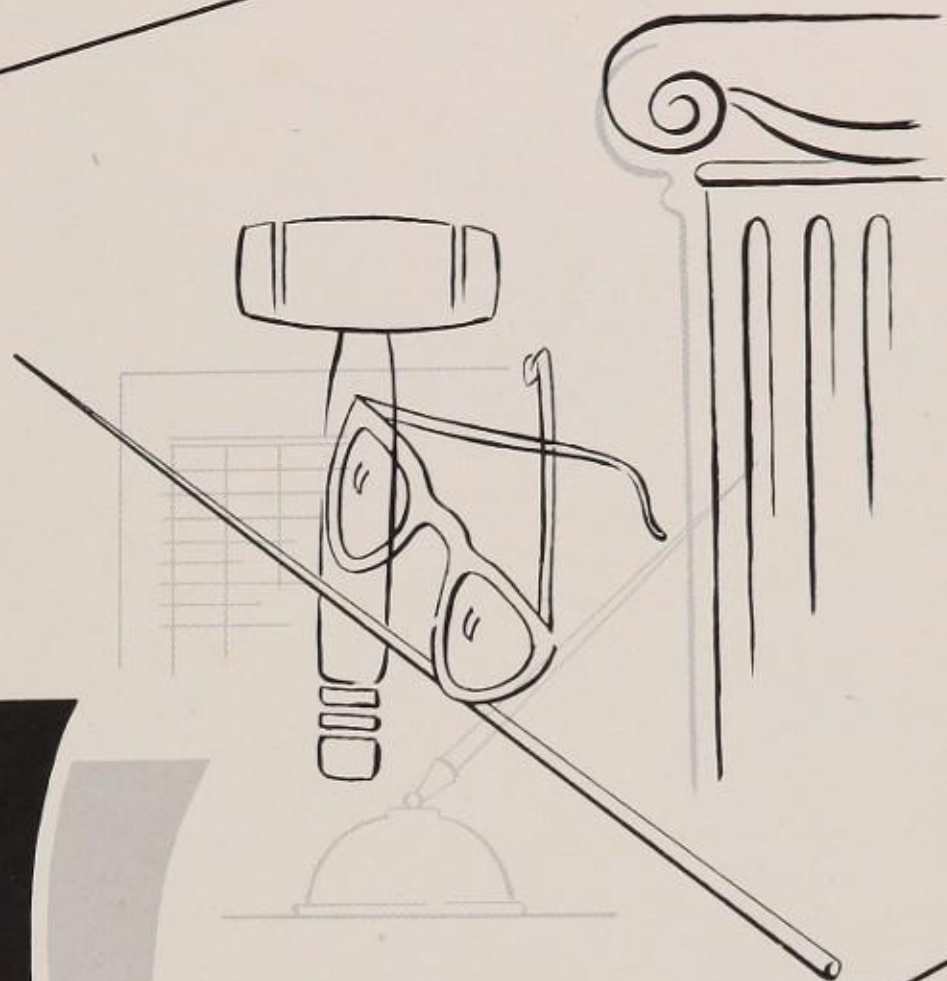

That we'll be friends forever and that's a long — long — time.

Greetings to Members of the Senior Class:

As you prepare to join the illustrious procession of graduates of the Bridgeport High School and become the 84th class in the history of this institution, may I remind you that this is the time for courage and optimism rather than defeatism and pessimism. The attitudes, understandings, and skills, which you are now developing, will sustain you in a future of unknown quality. In all of your activities, both large and small, may you reflect credit upon your Alma Mater.

Seniors:

The congratulations and best wishes to your teachers and friends go with you as you leave school and begin to develop into healthy and intelligent citizens of our community, useful members of a democratic society. The end of your work merely means the commencement of those appropriate experiences for which the classroom, clubs, sports, music, art and assemblies have prepared you. May your hopes and dreams be realized; may your names reflect credit upon Bridgeport High School, which has been your foundation for the future.

CLASS HISTORY

As confused but eager little freshmen, we the class of 1958 started on the rough road we were to travel for the next four years. As we paused along the roadside, we decided this would be the time and place to elect our guides for the year and to don our flowers, official colors, and our motto, which would be our goal as we turned each new bend in the road. As guides we elected:

President ----- John Havlicek
Vice-President ----- Esther DiNapoli
Secretary ----- Pat Fortney
Treasurer ----- Russell Henning

For our flower, the red rose was chosen. Our colors, being red and white, matched our flower, and our motto symbolized our goal: "Make the Most of the Best and the Least of The Worst." Our head guide and advisor was Mr. Orville Edmunson, the principal of our high school. Along the way, we participated in our Freshman Class Play.

Time was passing quickly, and soon we were on a paved road. We decided that this called for new guides. We elected these leaders:

President ----- Darlene Wallace
Vice-President ----- Tony Byrkalski
Secretary ----- Annabelle Davis
Treasurer ----- Duane Mack

We also were given a new head guide, Mr. George Kovalick, who was to remain with us for the entire trip. We then took part in a Christmas Play and soon another milestone had passed.

We had now progressed to a super highway and were smoothly traveling along. As our guides for this year we elected:

President ----- Darlene Wallace
Vice-President ----- Esther DiNapoli
Secretary ----- Lucille Kovalick
Treasurer ----- Annabelle Davis

As we turned a bend in the road, we had a Sadie Hawkins Dance with the Dogpatch characters being portrayed by: "Li'l Abner," John Havlicek; "Daisy Mae," Lucille Kovalick; "Pappy Yokum," Eric Martin; and "Mammy Yokum," Annabelle Davis. With the help of a committee of classmates, our officers presented an outstanding trip, by planning our annual Junior-Senior Prom for the Seniors. The theme of the dance was "Moonglow," and much to everyone's delight was a successful event.

At last we saw in the distance the tremendous turnpike for which we had been striving. As courageous seniors we started on our last miles of the trip. We selected as our guides for this last part of our journey:

President ----- Eric Martin
Vice-President ----- John Havlicek
Secretary ----- Dick Leightner
Treasurer ----- Bill Delbrugge

We wore our colors proudly, carried our flower with dignity, and repeated our motto with integrity. One of the highlights that occurred on this new turnpike was the annual Homecoming game and dance. The Queen, Darlene Wallace, and her attendants, Annabelle Davis, Patty Bair, Jenny Davis, and Martha Day, reigned over the beautiful festivities with charm and grace.

Again we paused, as the Junior Class, which would soon be following in our footsteps presented us with a farewell dance, the Junior-Senior Prom.

We were now approaching an intersection and knew that we would soon be branching off into different directions.

Baccalaureate and Commencement had arrived and we looked back over the past four years, knowing that although we would never travel together again, we would have the cherished memory, that together as a class we prepared ourselves for the long journey ahead, our future lives.

THLETICS

O.V.A.C. CHAMPIONS

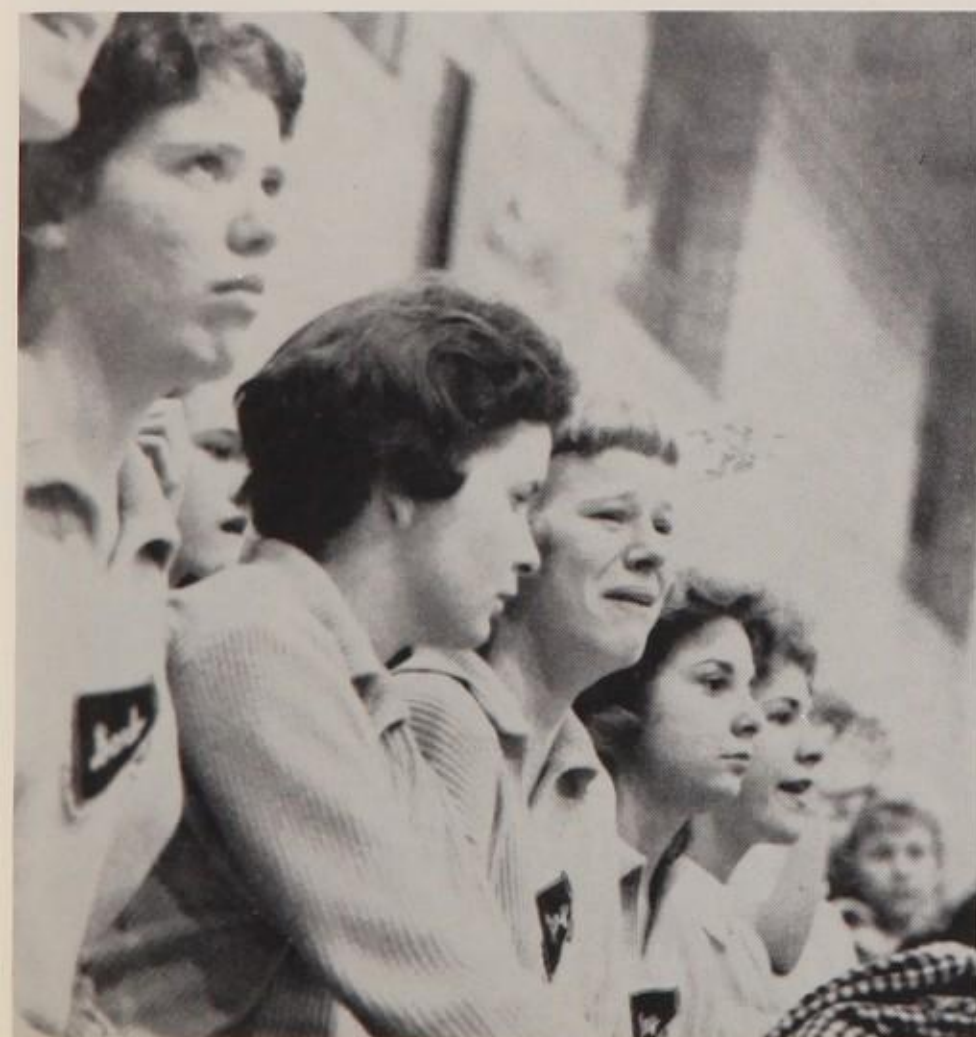

The Bulldogs have it!

"Jumpin" Johnny shoots again!

For the first time in the history of Bridgeport High School, the Bulldogs won the O.V.A.C. in basketball. This remarkable team won seventeen games and lost only one. They were true champions off the floor as well as on the floor as they displayed good sportsmanship throughout the season. We the students, thank these boys and their coaches for a thrilling and outstanding basketball season.

We can't win them all.

"Flu" epidemic hits the Bulldogs.

Darlene Wallace

In the past years, the Homecoming Queen has been chosen on a basis of popularity by the students and faculty. This year a different procedure was used. Our Queen was chosen for a number of reasons: talent, poise, beauty, and a pleasing personality. Darlene Wallace was crowned as our 1957 Homecoming Queen at the Bridgeport and Wellsville football game on November 2, 1957, by our Co-Captains, Dick Leightner and John Havlicek.

CLUB CORNER

Latin and Spanish Clubs

The two language clubs of our school, strive to teach its members more about languages, and try to familiarize them with customs of the various countries.

Science Club

Students who take science and chemistry are eligible to be members of this club. The purpose is to promote greater interest in science among the students. There are many activities sponsored by this club to further its purpose.

Dramatics Club

This club gives our students a chance to learn appreciation of drama. Each year the club puts on several plays for the benefit of the students and public. In this way, they are learning for themselves and teaching others.

Girls' Athletic Association

The aims of the G.A.A. are to provide an opportunity for leadership and the development of skills in physical education. To give the girls a chance to develop socially through common friendship, good sportsmanship, ideal citizenship, and the desire to be of service to all is the high purpose of this club.

Music Club

This is an organization composed of forty members. The Music Club is designed for those students who have some special interest in music. This club has been under the direction of Mr. Carroll J. Pell for the past seven years.

Art Club

The Art Club was started for the students interested in Art. It is now one of the largest and most active clubs in the school. These members make posters, help with stage sets, costuming, make-up, and stage directions. They have especially helped with the Grade School Minstrel. A feature of the club, is the awarding of letters and pins, based upon points the member has earned. In this way, the members are awarded for the amount of work they do.

"B" Club

Membership is gained in the "B" Club by earning a letter in a sport such as baseball, football, basketball, wrestling, track, or golf. The club was organized to promote a better understanding in sports. The main purpose of the club is to buy supplies for the athletic department.

Y - Teens

The Y-Teens are two of the service clubs in our school. Both the Junior and the Senior Y-Teens are affiliated with the national Y.W.C.A. The purpose of the clubs is: "to find and give the best." The goal is to help the members grow as persons; grow in the knowledge and love of God; grow in friendship with people of all races, religions, and nationalities.

National Honor Society

The National Honor Society is one of the service clubs of our school. The emblem of the Society is the flaming torch and keystone with the letters C. for character, S. for service, L. for leadership, and S. for scholarship. It is a great honor to be a part of this society.
